

A festive Halloween border surrounds the central text. It features various orange pumpkins with carved jack-o'-lantern faces, some with wide grins and others with more menacing expressions. Interspersed among the pumpkins are colorful candies, including round lollipops and rectangular wrapped sweets, as well as small white skulls and green leaves. The background of the border is dark with white stars.

PUMPKINS

I see pumpkins large,
I see pumpkins small.

I see pumpkins short,
I see pumpkins tall.

I see pumpkins orange,
I see pumpkins green.

Just what we need
for fall and Halloween
